HEIRWAY SPORTS SURVEY

Heirway Family,

We are surveying our families to find out possible interests in additional sports for Heirway next year. In addition to the following ideas, please do not hesitate to express other ideas of interest should you have one that is not listed on the online survey. Furthermore, if you have elementary students interested in a particular sport and know of a way Heirway might be able to participate as a team, please let us know that as well. Please note that your response is necessary in order for us to know how we may best serve you and the interests of your children. Thank you.

Please view the link below, thank you

All basketball and volleyball players and cheerleaders in middle school and high school need to turn in their uniforms as soon as possible. You may turn them in to the office or Coach Kiker. If any students in grades 6-11 are interested in running cross country next year, please let me or Coach Kiker know.
