Weekly Camp Fees are due by 6:30pm on Monday of each week.

A \$10/day late fee will be applied for each day after Monday that fees have not been paid.

Pickup time of each camper is 6:30pm each day. If a camper is at the facilities after that time, a late fee of \$2 per minute will be assessed. Late fees are due at the time of pickup and only cash is acceptable.

Please be mindful and courteous of our workers. They are only compensated for camp start and end times.

I understand the above financial policy and will govern myself accordingly:
