From the Athletic Director

Volleyball season is winding down but we have a lot of home games coming up and we need all of you to come out and support the Lady Eagles. This week we play host to Holy Ground on Thursday and next week we will host Praise on Monday and Hearts Academy on Friday.

It is almost basketball season. Information about practice times will be coming out shortly. A reminder, athletic fees for middle school and varsity basketball need to be paid before the first game. The athletic fee is \$150. If your child plans to participate in basketball this year, please make plans to have the money in on time. We are also asking that each athlete sell a sponsor banner to hang in the gym for the year. Basketball players can start working on that now.

Parents - home games require a lot more than just our teams showing up on time to play. We also need you to help in several areas. We need parents to work the concession stand, we need parents to greet the visiting teams as they arrive and make sure they have everything they need, and for volleyball we need line judges. We are particularly in need of parents that can be here early to get things set up. It is vital that we have parent involvement to make the athletic department work. Please volunteer when Kim Arnold contacts you.
