

HEIRWAY CHRISTIAN ACADEMY
BASEBALL
CONDUCT CONTRACT

This contract's main purpose is so that the players and parents will know from the start, what our expectations as coaches are and what you may expect of us. Our goal is to have a successful season and for each player to grow in his abilities as a player and a person. We expect all parties involved with this team to be respectful and encouraging. Some of our guidelines are as follows:

There will be NO cursing at all allowed from the players, coaches or family members.

There will be NO slamming of equipment either on the field or in the dugout.

There will be NO arguing with the officials, from the players. The coaches will address any issues with the officials, NOT the players.

There will be NO favoritism allowed on this team. Each player is to be treated equally.

There will be NO cell phone usage during practice or games

There will be a "24" hr period after a game before approaching any of the coaching staff with any constructive criticism

Players are to be respectful to the coaches, as well as their parents while a part of this team. Coaches are also required to be respectful of the players.

Just because you made the team does not guarantee playing time. That is earned through your practice, effort, and progress.

School comes first! If your baseball is interfering with your grades then you need to be doing homework instead of practicing.

We expect each player to give 100% while a part of this team. We also want you to enjoy the game of baseball and learn.

If you are not able to make a game or practice, contact one of the coaches well in advance.
