

Distance Learning Procedures

Please come to the drive thru pick up at the HCA gym on Wednesday, August 12th, from 10-1 and 4-6 pm.

Textbooks, yearbooks, and the first set of assignments will be distributed.

A combination of pre-recorded videos and live teaching will be conducted for each class. Video lessons will be posted. Students are expected to view each lesson. It is not required that students attend each zoom lesson, however, they assume responsibility for learning content.

Zoom sessions are intended to be for reiteration or clarification for specific questions and not a reteaching of the lesson or in place of skipping the original lesson.

Due to our trust and partnership with parents, the parents may be asked to proctor exams.

Work should be picked up and dropped off weekly at the HCA office on Fridays between 8:00 am and 3:30 pm.
