

**Schoolhouse Fare, LLC**

## **Welcome to Schoolhouse Fare!**

At Schoolhouse Fare, we take all of the hassle out of preparing healthy and exciting lunches for your students. We contract with popular local restaurants to prepare fresh made-to-order lunches that are individually packaged, labeled with your child's name, and delivered to the school. Our a la cart menus are trans fat free and offer a variety of hot and cold options including vegetarian and gluten free items when available.

These great lunches are at your fingertips through our online purchase/pay program. Menus are posted on a monthly basis with the option of ordering for the month, week, or day. Just think, you can create lunches to meet the needs and tastes for each of your students with just a few clicks on your computer or smart phone.

As moms, we know how important good lunch options are for our kids as well as the importance of quick and easy ordering for the parents! We pride ourselves in our personalized customer service and attentiveness to each of our families. The 2022-2023 school year will be our 16<sup>th</sup> year of providing our school lunch management service to schools throughout the country.

Please be on the lookout for our registration information flyer which will be distributed by the school. This will list the date that we are open for registration, the first lunch delivery date, the school registration password and much more! Once you register your account with us, we will be able to contact you directly with menu postings and updates. In the meantime, please do not hesitate to contact us with questions and suggestions of restaurants or menu items. We do our best to accommodate all palates!

We look forward to serving the students, faculty, and staff at Heirway Christian Academy!

Thank you,  
Bradley Morrow and Carol Fair
